BACK UP OUR NATION'S HEROES

When it comes to having our back, nothing compares to the men and women of the Armed Forces. SnowCare for Troops is a nationwide outreach program that recruits local volunteers to provide free snow-removal services at home for the men and women serving overseas, as well as disabled veterans. Since 2008, BOSS and hundreds of volunteers have helped more than 1,000 families. Enlisting is easy and helps take some of the burden off of those serving so far away. After all, they're protecting our freedom — plowing their driveways is the least we can do.
